Fix Salon boutique hair salon conveniently located in Seattle near I-5 in the Roosevelt/Greenlake neighborhood. Fix Salon offers exclusive high-end services in a welcoming neighborhood environment.

Fix Salon's forte is to create classic, beautiful looks with an emphasis on keeping hair healthy and naturally radiant. Our highly-educated and talented stylists are committed to offering the best hair services available.

What we are:

A small team of tight knit individuals who are passionate about hair and hair education.

Guests are considered "our clients". One person's success is celebrated as a team win.

A salon that has a clear plan for each team member. Each stylist has a development plan that combines education, sales goals, retail goals and client retention. Our goal is to help you attain your financial goals and live a life that balances work and family.

A company that believes work and learning should be fun and celebrated.

What we are not:

A large salon team growing many stylists at one time.

A salon with a large support team. We all take turns answering the phone, booking clients and closing out sales. We enjoy being hands on with every step of our guest's experience.

A lease salon. All of our stylists are employees trained through our Associate Program led by salon owner and Redken National Educator Mandy McCullough.
