

Salon Mogano's Associate Program

Our associate program is a great opportunity for our new talent stylists to build knowledge and gain confidence in our industry. As an already licensed stylist, you will work as a team with our dedicated salon educators to refine your skills and gain advanced techniques. Each week you will be booked as a “new talent stylist” – this will give you the opportunity to test your skills and utilize the new techniques you are learning through hands on shadowing and weekly classes

Here are a few of the technical and design techniques you will be learning

Balayage

Advanced haircutting techniques

Advanced razor cutting

Advanced styling techniques

In depth knowledge of Bumble and bumble products

And much more...
