

# the **GLAM** app

## A VIRTUAL **AGENCY** FOR FREELANCE **ARTISTS**

The GLAM App is a virtual agency for Makeup, Hair and Nail Artists. Once approved, you are able to set your own hours and begin your full or part time **freelance careers** right out of beauty school. With the ability to **gain extra income, grow clientele,** collaborate with us on **special events** and work with **high profile clients,** you will learn what it truly takes to become a top stylist!

---

### HOW IT WORKS.

#### GAINING CLIENTELE HAS NEVER BEEN EASIER.

When a new appointment comes through, you will receive a SMS message directly to your phone during your selected business hours, letting you know there's an available appointment. You can accept the appointment through the stylist portal, where you will see the request under "Available Appointments." After clicking, "Accept," you are all set and on your way to a new client!
